A Laundry For Coleman

Will Supply All Towns of the Pass

Coleman, at last, has been made the centre of a large laundry business by the establishment of a steam laundry by the Coleman Laundry Company. The premises which have now been secured are only temporary. A lot will be purchased on the banks of the Old Man and up-to-date steam machinery is en route to Coleman. Water power will be used until the arrival of a steam engine. International coal will be used as fuel.

Orders are already beginning to pour in, substantiating well the claim that Coleman and the Pass need a well equipped laundry.

J. W. Powell Promoted

J. W. Powell, superintendent of the West Canadian Collieries at Bellevue, has been appointed Superintendent of the Canada West Coal Co. at Tubar at a much more remunerative salary. Mr. Powell's rise in mining circles has been not only brilliant but phenomenal and is a great tribute to his abilities as a mining engineer. He took up his new duties on Feb. 1st.

Famine in China.

Many heart rending accounts are coming to hand of the severity of the famine affecting about two and a half million people in the heart of China. The famine is the result of great floods that visited the district last year, when the swollen rivers made the low-lying country a vast lake. The people in many cases lost animals houses and the seasons crop. Their plight is a most pitiful one. Hardworking and willing to work but unable to obtain it they with their families must starve if help is not given them. Not till the month of May will they be able to gather the first crop. Relief must be given till then. Seed and food must be provided. It is said that \$2.00 will tide a person over.

Rev. T. M. Murray will be pleased to forward any sums entrusted to him. Monies will be sent to Dr. Somerville, Toronto who will forward them to Dr. McGillivray, Shanghai. Amounts will be acknowledged through the Miner, the initials of the donors being given. The following sums have been received.

The local union met on Sunday last and unanimously decided to contribute the sum of \$450.00 towards the Bellevue Relief Fund. Fifty dollars was voted by the Union to the Fred Alderson fund. The action of the local union is highly commendable.

A THRIVING INDUSTRY

Three Lumber Companies Have Had a Busy Season. Record Cuts Have Been Made

The growing timber trade of the forests in the vicinity of Coleman and the increased manufacture of lumber, is now a most lucrative as well as a thriving industry. The general demand on the prairie for lumber has raised the price and now available timber limits within access of the railway are fast growing thinner year by year.

The Peter McLaren Lumber company have four large camps which supply the pine logs for the mill situated two miles east of Coleman. The mill and machinery are entirely new, owing to a wholesale fire which gutted the mill last year.

Two of their winter camps are on York Creek, a tributary of the middle fork of the Old Man. The others are two miles north of Sentinel. The logs are all hauled by sleighs and dumped

into the Old Man, and the freshest of spring speed them on to the mill. These camps are all under the direction of Bush manager Ritchie. Two hundred are employed in the four camps.

The Pelletier Lumber company, which have just recently established themselves, have a timber limit at their disposal of twenty square miles. A new boiler has been installed and 75 men are cutting and skidding logs. This camp is two miles north of Coleman.

The Carbondale Lumber Co. was established by the Gibsons six years ago. It has steadily increased its output. Last year it changed ownership and is now under the management of J. Gilchrist. Since coming here Mr. Gilchrist has opened up a lumber yard in West Coleman.

Clark's Moving Picture Show and Vaudeville Co. will present an attractive program on Saturday night.

New Truancy Act, Feb. 1

Age Limit Raised to 14 Years.

On Feb. 1 the new truancy act goes into force. There are some important changes which will lead to considerable change in the methods and manner of life of many children. The age limit has been raised, the compulsory school term has been lengthened, and punishments for violations of the act are heavier and more stringent.

The old act read that education was compulsory up to 12 years of age, and that before that age children must attend eight weeks out of each term or 16 weeks every year.

This is now changed, the age limit is 14 years. Children must attend the entire school year, and punishments and fines will be heavier than heretofore.

The truant officer also will have to keep a record of all the work he does and report to the superintendent at the end of each school year. This was not compulsory under the old act.

Correspondence

Coleman, Alta., Jan. 31, 1911

Dear Mr. Editor

I have read the letter signed "Ratepayer with property" with great interest.

I agree altogether with his remarks and contend the Council should either relieve the taxes of other people who have lost their bread winner, etc. or make all pay. It is most unfair to pick one man out alone (and he a man with property and a family) and make him pay more than the others (and he a man with property and a family) and make him pay more than the others.

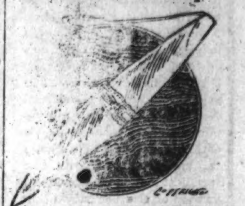

This was the view taken by Councilor Clark at the meeting when the taxes were reduced, and I am sorry that, by your report, he was quite alone in his opposition.

Well, there is a class of people called "Ratepayers" and these things will be heard of again presently.

Yours truly,

Dear Mr. Editor

Will you kindly allow me to state through the columns of your paper that the hockey club in Coleman think one "pass" sufficient for a weekly newspaper, and that if the Editor of the Enterprise is as small as he has melted down now to, he could easily crawl through a knot hole in a back fence and save himself the trouble of trying to pass the man at the door.

The Coleman club will always pass one for press, but not three, as the Baltimore Enterprise wished to do.

To the Editor of the Miner

Dear Sir—You are doubtless aware that the Provincial Government are giving under the auspices of the Macleod Agricultural Society a free course of lectures and demonstrations of Agriculture, for two weeks from 13th February to 23rd February inclusive.

The first week will be devoted entirely to lectures and judging of stock and for this purpose two car loads of pure bred horses and cattle will be shipped here.

The second week will be devoted entirely to lectures on all branches of agriculture, including soil culture, extermination of weeds, the growing of wheat and other grains, dairying, poultry, hog raising, etc.

We need not remind you of the very great importance of such a School of Instruction, benefiting as it must do so largely, the whole of the Southern part of the Province, not only the farmers themselves but will be an education along proper lines for their growing sons.

Reduced railway and hotel fares are being arranged.

Full particulars can be obtained from

R. H. HILLIARD

Sec.-Treas. Macleod Agricultural Socy.

"Commissioner Coombs and Colonel Lamb, of the Salvation Army, have been coming the West and making arrangements for the placing of Immigrants who will come to Canada under the auspices of the Salvation Army this spring. These will consist of Farm laborers and domestic servants. A number of Canadian officers of the army are now in the old country for the purpose of selecting Immigrants. The people who come to this country through the army are of a very desirable class, being especially selected by experienced agents who are familiar with the class of workers Canadian farming conditions call for.

Farmers who desire to secure Farm Hands, married or single experienced or inexperienced for this season's work should at once get in touch with the Army. Write for applications forms to the Salvation Army Immigration Department, 221 Rupert Street, Winnipeg, Man.

A Retrospect

As the annual meeting of the council and ratepayers has apparently been called off, owing to the inclemency of the weather, the Miner, for the benefit of its many readers in the town will give a short concise review of the work of the council during the past four months.

Organization was primarily the first work of the council, many committees being formed. By-laws on rules and Precedure, duties of Chief of Police, Duties of Fire Chief, Licenses and streets were drawn up and passed. That these were necessary is evidenced by the improved conditions. Councillors Holmes, Morrison and McDonald worked arduously on these by laws and are responsible for their many favorable clauses.

Mayor Cameron in the course of his inaugural address, urged strongly the construction of a road to West Coleman. Councillor Morrison has always backed up the Mayor in this project and if there is no determined opposition from the Board of Works, it will finally be constructed.

The Board of Works have not added much to their fame. Councillor James is chairman and he proposed the erection of a footbridge across the Nes Perce creek and a handrail on the hill on Centre St. This cost \$78.00, a figure which rather astounded the council. A pound by-law is to be introduced and passed. Also councillor McDonald intends to introduce a much needed Curfew by-law.

Councillor Clark undaunted fought bravely against rescinding T. Steele's taxes. This refund of tax was proposed by Councillor James and should never have passed.

All the town officials have given satisfaction and the council with the exception of one have been thoroughly watchful of the public interest.

An attack of the grip is often followed by a persistent cough, which to many proves a great annoyance. Chamberlain's Cough Remedy has been extensively used and with good success for the relief and cure of this cough. Many cases have been cured after all other remedies had failed. Sold by all dealers.

NOTE AND COMMENT

It's not always fair weather when good fellows get together.

Foster predicts a chinook. He has our best wishes for a long chinook.

"Hookey" will soon become as unpopular as a cat o' nine tails.

Andro Lukco, editor of the Slav Paper at Michel is making gigantic efforts to unite his countrymen into something which has never been and never will be.

If the refund of T. Steele's taxes is not prohibited, the June court of appeal will resemble an army recruiting office.

The councillor who declared it was CRUEL to impound horses should study comparative animalology by placing himself in a horses position on the outskirts of the town this week.

The citizen who acts and feels that Coleman is a place worthy of his permanent residence, should speak out more. We want more patriotic citizens.

In this season of distorted mail service everyone becomes a prophet on the exact time that the C. P. R. trains arrive.

The Compulsory Education Act has not come into force too soon. In fact many young lives have already been marred by the lack of parental coercion in regard to school attendance. When parents will not recognize a most salutary law, the state must step in and see that her sons and daughters receive an education that will fit them for the higher duties of life.

The Reciprocity Agreement now stands very favorable chances of being passed by both houses in both countries. It is sure of endorsement in the Canadian house and President Taft and the progressive republicans and democrats are behind him. To the west the agreement means a reduced cost of living, an enlarged market for western products and a general increase in the value of farm property. To the Crow's Nest Pass the reduction of eight per cent on coal is now more substantial than the figure would seem. While the free passage of coke is a triumph for the manufacturer of coke and an impetus which not only should double the production of coke but increase largely the population of the Pass.

By-law No. 5

A By-law for the Regulation of the Streets within the Town of Coleman.

The Mayor and Council enact as follows:

1.—This By-law shall be known as "The Streets Regulation By-law."

2.—No person shall run or race on the streets or sidewalks, intentionally crowd or jostle other foot passengers, so as to create a disturbance, discomfort or confusion.

3.—No person shall lead, drive or ride any horse, or cattle, carriage or other vehicle, or team or any beast of burden on or along any sidewalk in the Town.

4.—No person shall drive any carriage, motor vehicle, or other vehicle or ride any horse, or other animal, or through any street, lane or public place in the Town, at a speed exceeding (10) miles an hour, and no person shall drive any motor vehicle, or through the same, faster than a walk, or permit any animal to stand in any street, lane or public place, which is not sufficiently secured to prevent its running away.

5.—From and after the passing of this By-law it shall be unlawful for any traction engine to pass over or along any crossing or culvert, situated on any street, lane, square or other public place within the Town of Coleman, until the person in charge thereof shall have laid down planking to be at least twelve feet in length, and three inches in thickness, and of sufficient width to completely protect the surface of any such crossing or culvert, from contact with the wheels of such traction engine. Any person infringing this By-law shall be liable on summary conviction to a penalty of not less than ten dollars, or more than one hundred dollars, to be paid as provided for.

6.—No person shall break in, or rain any horse, or other animal, in or on any street, lane or public place, within the Town limits, and no person shall at any place within the Town, exhibit or let to mares, any horse, unless the place in which such practice shall be done is screened from public view.

7.—No person in order to gain access into any yard or lot, or for any other purpose, shall ride any horse, animal or vehicle across any sidewalk, drain, watercourse or gutter, except by means of a crossing or bridge.

8.—The owner or occupant of any premises, may for the purpose of affording access thereto across any sidewalk, drain, watercourse, or gutter, apply to the Works and Property Committee, for a permit to construct a crossing or bridge across or over the same, and the Works and Property Committee shall cause specifications for the construction of such crossing or bridge, to be furnished to the person applying therefor, which specifications shall provide for its construction in the same manner, and of the same strength and durability, as is then employed by the Town for similar works, and the construction thereof shall be under the supervision of the Works and Property Committee, and approved of by them, but in no case shall the width of any such work be constructed by an owner or occupant, exceed ten feet.

9.—No person shall permit his horse or horses or carriage, cart or wagon, sled, sleigh or other vehicle to stand upon any street, or on any sidewalk, or on any horse, or other animal, to any post, hook or ring, or in any way, across any sidewalk, or cross the same, to obstruct the ordinary traffic of the street.

10.—No person shall place or suffer to stand on any fire, lane or public thoroughfare within the Town, any carriage, cart or wagon, sled or other vehicle, which has not been attached thereto, or is otherwise supplied with means of locomotion for hauling or propelling the same without delay.

11.—No person shall push, run or draw any carriage, cart or wagon, sled, row, cart, handcart, truck, or hand wagon, sled or sleigh, or other vehicle used for the conveyance of any person other than children's conveyances, or ride any bicycle or tricycle upon any sidewalk within the Town.

12.—No owner or occupant of any premises shall allow any gate to such premises, to swing over any sidewalk in the Town.

13.—No person shall move or cause to be moved or assist in moving any building, or across any street or lane within the Town limits, until permit for such moving has been obtained, and no such permit shall be granted until the person applying for the same, shall have given a bond in the sum of \$250.00 with good and sufficient securities, to the satisfaction of the Secretary - Treasurer conditioned among other things that the said party will pay any and all damages which may happen to any tree, pavement, street, crossing or sidewalk, or to any telegraph, telephone, or other electric wire or pole, whether the said injury be inflicted by the said party or his agent, employees or workmen, and will save indemnify and keep harmless the Town against all liabilities, judgments, costs and expenses which may in any way accrue against the Town in consequence of the granting of such permit, and will in all things strictly comply with the conditions of the permit.

14.—Upon the execution of the bond provided for, in the last preceding section of this By-law, and its acceptance by the Secretary-Treasurer, the Secretary - Treasurer, upon payment to him of a fee of \$25.00 therefor, for the use of the Town shall issue a permit specifically stating all the conditions, prescribing the route to be taken and limiting the time for removal.

15.—No person shall place any goods, wares or merchandise, or other articles of any kind, upon any street or sidewalk, or hang or expose any goods, wares or merchandise, or other articles outside of any shop, warehouse, or other building, which shall project over any portion of the sidewalk or street more than twelve inches from the line or front of such person's house, shop or warehouse, or do any act or thing, which may in any way obstruct the free use of the street or sidewalk, but the provisions of this section shall not

be construed to interfere with the use of a portion of such street or sidewalk for a reasonable time during the taking in, or delivery of goods, wares or merchandise by foot passengers.

16.—No persons shall be allowed to stand in groups or sit or lounge upon chairs, benches or other things in front of boarding houses, hotels, or places of public entertainment on any streets or sidewalks in the Town, so as to obstruct the free use of the said streets or sidewalks by foot passengers.

17.—No person shall sell by auction any of the streets or sidewalks of the said Town, any horses, carriages, furniture or other articles or thing whatsoever.

18.—No person shall break, tear up or remove any plank, paving stone, sidewalk, macadamizing or other surface, or make any excavation in or under any street or sidewalk in the Town for the purpose of building or otherwise, without first having obtained permission from the Works and Property Committee, so that no such work shall be done under the direction of the said Committee, or any person appointed by them, and shall under the same inspection be replaced, re-laid and made good by the parties interested in such work, and such removal shall not be allowed to continue any longer than is absolutely necessary, and further that in every case when the said Works and Property Committee may see fit to grant permission, as an absolute condition, the party to whom the same is granted, shall be held responsible for any and all accidents, and damages that may occur to any person or property, by reason thereof, and shall keep and maintain such lights and watchmen, and shall take such further care and precautions as may be necessary for the protection and safety of the public.

19.—No person other than an employee of the Town properly authorized in that behalf, shall dig up or remove any earth or other material from any street, lane or public place, or square, the property of the Town, nor shall any person deposit or place any material or refuse upon any street, lane or public place, except in accordance with the terms of a permission in writing specially issued to such person for such purpose by the said Works and Property Committee.

20.—No person shall erect or continue any awning, sign, sign post, or any other structure, which shall in any way extend over any street or sidewalk in the Town, unless a plan thereof first submitted to and approved of by the Works and Property Committee. Awnings may be erected in front of shops and buildings on any street or sidewalk, the lower portion of the said awning to be not less than seven feet above the sidewalk and under the said supervision, signs not more than two and a half feet wide may be erected, which shall not extend more than three feet from the front of the building, to which they must be attached, and be not less than eight feet above the sidewalk. No sign post of any description shall be allowed on the edge of the sidewalk.

21.—No person shall deface or display any public or private building, wall, fence, railing, sign, monument, post, telegraph, telephone, electric light pole or other property in the said Town, by cutting, daubing with paint or other substance, bill posting, or shall in any way injure the same.

22.—No person shall set fire to any slavings, chips, straw or other combustibles in any of the streets or parks of the said Town, or any enclosure within fifty feet of any building, and no person shall carry fire through any of the streets or parks of the said Town, except in some covered vessel or metal fire pan.

23.—No person or persons shall make any fire or bonfire in any of the streets, squares, parks or public places in the Town, or shall fire or discharge any gun, fowling piece or firearm, or shall set fire to any fire works within the Town, unless specially authorized by the Mayor or Council of the said Town.

24.—No persons shall cast, project or throw any stones or balls of snow or ice or dangerous substance, or any public place, or use any bow or arrows in any of the streets or public places of the Town.

25.—No person shall post or put up any indecent placard, writing or picture, or write any indecent or immoral words, or make any indecent picture or drawing, on any public or private building, wall, fence, sign, monument, post, sidewalk or pavement in any of the streets, parks or other public places of the said Town.

26.—No person shall picket within the Town any animal by any rope, chain, or other contrivance sufficient in length to render it possible for any such animal to cross or be upon any street, lane or other public highway within the Town.

27.—No person shall engage in Charivari or aid or assist others so engaged, or blow whistles or ring bells, or make any other disturbances in the streets or use loud, blasphemous, abusive or grossly insulting language, or sing or shout in a boisterous manner, or commit any nuisance by collecting, loitering, or standing as idlers on any public sidewalk or street within the Town.

28.—When snow or ice collects on the sidewalks or streets, or on any building, or on any public or private building, the owner or occupier of the premises, upon or before which ice or snow is collected, as aforesaid, shall clear the same away, and upon refusal or neglect to do so, within six hours of being notified by the Chief of Police, or by the Council of the said Town, the Town shall proceed to do so, and the cost of such removal, may, unless paid by the said owner or occupier or demand be charged against the property as a special assessment to be recovered in like manner with the other taxes.

29.—Every vagrant, mendicant or other person found drunk or disorderly or using obscene, blasphemous or grossly insulting language, or profane

swearing in any street, lane or public place or square, or in any bar, hotel or other place of public entertainment, shall be liable to the penalties provided for an infraction of this By-law.

30.—Any person on an infraction of any of the provisions of this By-law shall on conviction therefor, be liable to a penalty not exceeding the sum of \$100.00 and costs, and in case of non-payment of such fine and costs, shall be liable to a term of imprisonment not exceeding three months.

Done and passed in Council at the said Town of Coleman, this 17th day of January, A. D. 1911.

Synopsis of Canadian North-West Mining Regulations

COAL-Mining rights may be leased for twenty-one years renewable at an annual rental of \$1 an acre. Not more than 2,500 acres can be leased to one applicant. Royalty five cents per ton. The coal mining rights under 2,500 acres may also be reserved for a period of two years for prospecting purposes. For \$100.00, the expenditure of at least \$1 an acre must be made by recognized methods of prospecting, each year.

QUARTZ-A person having no valid lease and over, having made a discovery may locate a claim 1,500 feet square. Fee, \$5. At least \$100.00 must be expended on the claim each year, or paid to the Mining Recorder. When \$500.00 has been expended or paid and other requirements complied with, the claim may be purchased at \$1 an acre.

PLACER MINING CLAIMS are 500 feet long and from 1,000 to 2,000 feet wide. Entry fee, \$5. Not less than \$100.00 must be expended in development work each year.

DREDGING.-Two leases of five miles each of a river may be issued to one applicant for a term of 30 years. Rental, \$10.00 a mile per annum royalty, 2 1/2 per cent. after the output exceeds \$10,000.

A few minutes' delay in treating some cases of croup, even the length of time it takes to go for a doctor often proves dangerous. The safest way is to keep Chamberlain's Cough Remedy in the house, and at the first indications of croup give the child a dose. Pleasant to take and always cures. Sold by all dealers.
